The Third Jesus
The Christ We Cannot Ignore
By Deepak Chopra

A *New York Times* best-seller, ***The Third Jesus*** was named “One of the Best Spiritual Books of 2008” by *Spirituality & Practice*. Here’s what others say about it:

An insightful and clarifying glimpse into the life of one of the most radical spiritual teachers the world has known. Chopra gives us the gift of knowing that we may walk in the enlightened footsteps of our brother, Jesus the Christ.”

—**Michael Beckwith**, founder, Agape International Spiritual Center
& author of *Inspirations of the Heart*,
40 Day Mind Fast Soul Feast, *A Manifesto of Peace*

“In this book a man shaped by the religions of the East introduces the West to a Jesus we have either lost or have never known. That is itself a stunning concept, but Deepak Chopra is a stunning man. He explores what he calls the ‘Christ Consciousness,’ which can be identified neither with the Jesus of history nor with the Jesus of the creeds, the doctrines and the dogmas of the ecclesiastical institution. This ‘Third Jesus’ can be seen only when we move into a new human awareness that will carry us beyond tribe, prejudice and even beyond our religious systems. As a Christian, I welcome his insights into my Jesus and his provocative call to me to enter the ‘Christ Consciousness’ and thus to become more deeply and completely human.”

—**John Shelby Spong**, Retired Bishop of the Episcopal Diocese of Newark,
Author, *Jesus for the Non-Religious*
